

WELCOME TO TGAC'S BUSY BEES!

HELLO,

My name is Micah Renton!

I've lived in Robertson County for about 20 years and love the area. I currently live in Cross Plains with my husband, Aaron, and our two children, Josephine (2yrs), and Abigail (1mo).

My past childcare roles include PreK School teacher (ages 2-4), PreK Gymnastics Coach (naturally ☺), YMCA Nursery staff (infant to age 5), and Live-In Nanny (age 3-7).

I also studied classical Piano for years and originally went to college for it but changed course and obtained a bachelor's degree in Human Resources instead. While I enjoyed my years of work in the HR field, I am very excited to be back working in early childhood development and education.

...Well, I think that's quite enough about me!... I am extremely blessed and honored that you've chosen our program for your little one and I cannot wait to get started!

Thank you,

Micah Renton
